MESSAGE FROM OUR PRINCIPAL

MR. WILLIAM S. MARTIN, Principal

It is a privilege and a great pleasure to extend greetings to the students of Window Rock High School through this issue of the Tse Ho Tso. With the excellent facilities of our physical plant and a well qualified staff of instructors, we face the future with confidence and enthusiasm.

To the graduating seniors, I congratulate you upon achieving your goal and upon approaching the problems ahead with the feeling that you can succeed.

To the alumni, there is always the hope that you will revisit the campus. You are our ambassadors. This institution is judged by your worth to the community in which you live.

To you who will be with us next year and in years to come, we welcome you to the scenes portrayed in this book. It is our sincere hope that your educational needs will be met.

SCHOOL BOARD

LEFT TO RIGHT - Mr. A. C. Rudeau, Clerk; Mr. Maurice McCabe, Member; and Rev. Donald Fredricks, Chairman.

OUR SUPERINTENDENT

MR. MARVIN D. COWAN, JR.

DEDICATION

For helping to make our school the fine educational institution that it is today, we, the staff of the yearbook, proudly dedicate the 1962 TSE HO TSO to our principal, MR. WILLIAM S. MARTIN.

Mr. Martin came to Window Rock High School from Greenbrier, Arkansas, in 1957. His work is reflected in the many accomplishments that he has achieved for our school. He has helped in moving our high school to a new building this year--a building which we students are very proud of.

We especially want to thank Mr. Martin for his hard work in getting our school accepted by the North Central Accrediting Association. North Central has the highest scholastic standards in the nation, and we are justifiably proud of our acceptance.

The welfare of the W. R. H. S. students is a prime concern of our principal. He leaves the following message with us: "No one will reach his goal without trying."
